INTRODUCTION

WHY THIS GUIDE

Welcome to our comprehensive Grading Guide, designed to help you navigate our cosmetic grades with ease and confidence. At Cykero, we understand that clarity and transparency are key — that's why we've developed a detailed grading system to ensure you know exactly what to expect from each device you consider.

Our grading system is meticulously crafted to reflect the cosmetic condition of our refurbished smartphones, tablets, MacBooks, Samsung devices and more — offering you a straightforward way to gauge the aesthetic and functional quality of our products.

We pride ourselves on transparency and customer satisfaction: all the information you need to make a purchase you'll be delighted with.
